

Nombre y apellidos: _____

Curso: _____ Fecha: _____

aprendiendo a calcular con el ábaco

Duración: 15 minutos

Material: lápiz, lápices de colores y ábaco

sesión
6

actividad 11:

Dibuja en el ábaco y en la nube

1. Representa en el ábaco los triángulos que aparecen en la nube.
2. Dibuja en la nube el número de triángulos equivalente al número que se representa en el ábaco.

A continuación, colorea los triángulos y los ábacos.
