The image shows a worksheet with seven rows of a zigzag path of circles. Each row starts with a ball on the left and ends with a boy on the right. The path consists of circles connected by small squares, with arrows indicating the direction of the path. The path starts with a ball on the left and ends with a boy on the right.

The worksheet contains eight rows of tracing exercises. Each row consists of a sequence of circles connected by dashed lines, sloping downwards from right to left. The first circle in each row has a thick arrow pointing towards the ball on the left. To the right of each row is a simple line drawing of a boy. The goal is to trace the dashed lines from the boy to the ball.

The activity consists of a grid of circles and arrows. The first column contains a ball icon followed by an arrow pointing left to a circle. The second column contains seven empty circles. The third column contains seven empty circles. The fourth column contains a circle with an arrow pointing left to a boy icon. The fifth column contains seven empty circles. The sixth column contains seven empty circles. The seventh column contains a circle with an arrow pointing left to a boy icon. The eighth column contains seven empty circles. The ninth column contains a circle with an arrow pointing left to a boy icon. The tenth column contains seven empty circles. The eleventh column contains a circle with an arrow pointing left to a boy icon. The twelfth column contains seven empty circles. The thirteenth column contains a circle with an arrow pointing left to a boy icon. The fourteenth column contains seven empty circles. The fifteenth column contains a circle with an arrow pointing left to a boy icon. The sixteenth column contains seven empty circles. The seventeenth column contains a circle with an arrow pointing left to a boy icon. The eighteenth column contains seven empty circles. The nineteenth column contains a circle with an arrow pointing left to a boy icon. The twentieth column contains seven empty circles. The twenty-first column contains a circle with an arrow pointing left to a boy icon. The twenty-second column contains seven empty circles. The twenty-third column contains a circle with an arrow pointing left to a boy icon. The twenty-fourth column contains seven empty circles. The twenty-fifth column contains a circle with an arrow pointing left to a boy icon. The twenty-sixth column contains seven empty circles. The twenty-seventh column contains a circle with an arrow pointing left to a boy icon. The twenty-eighth column contains seven empty circles. The twenty-ninth column contains a circle with an arrow pointing left to a boy icon. The thirtieth column contains seven empty circles. The thirty-first column contains a circle with an arrow pointing left to a boy icon. The thirty-second column contains seven empty circles. The thirty-third column contains a circle with an arrow pointing left to a boy icon. The thirty-fourth column contains seven empty circles. The thirty-fifth column contains a circle with an arrow pointing left to a boy icon. The thirty-sixth column contains seven empty circles. The thirty-seventh column contains a circle with an arrow pointing left to a boy icon. The thirty-eighth column contains seven empty circles. The thirty-ninth column contains a circle with an arrow pointing left to a boy icon. The fortieth column contains seven empty circles. The forty-first column contains a circle with an arrow pointing left to a boy icon. The forty-second column contains seven empty circles. The forty-third column contains a circle with an arrow pointing left to a boy icon. The forty-fourth column contains seven empty circles. The forty-fifth column contains a circle with an arrow pointing left to a boy icon. The forty-sixth column contains seven empty circles. The forty-seventh column contains a circle with an arrow pointing left to a boy icon. The forty-eighth column contains seven empty circles. The forty-ninth column contains a circle with an arrow pointing left to a boy icon. The fiftieth column contains seven empty circles. The fifty-first column contains a circle with an arrow pointing left to a boy icon. The fifty-second column contains seven empty circles. The fifty-third column contains a circle with an arrow pointing left to a boy icon. The fifty-fourth column contains seven empty circles. The fifty-fifth column contains a circle with an arrow pointing left to a boy icon. The fifty-sixth column contains seven empty circles. The fifty-seventh column contains a circle with an arrow pointing left to a boy icon. The fifty-eighth column contains seven empty circles. The fifty-ninth column contains a circle with an arrow pointing left to a boy icon. The sixtieth column contains seven empty circles. The sixty-first column contains a circle with an arrow pointing left to a boy icon. The sixty-second column contains seven empty circles. The sixty-third column contains a circle with an arrow pointing left to a boy icon. The sixty-fourth column contains seven empty circles. The sixty-fifth column contains a circle with an arrow pointing left to a boy icon. The sixty-sixth column contains seven empty circles. The sixty-seventh column contains a circle with an arrow pointing left to a boy icon. The sixty-eighth column contains seven empty circles. The sixty-ninth column contains a circle with an arrow pointing left to a boy icon. The seventieth column contains seven empty circles. The seventy-first column contains a circle with an arrow pointing left to a boy icon. The seventy-second column contains seven empty circles. The seventy-third column contains a circle with an arrow pointing left to a boy icon. The seventy-fourth column contains seven empty circles. The seventy-fifth column contains a circle with an arrow pointing left to a boy icon. The seventy-sixth column contains seven empty circles. The seventy-seventh column contains a circle with an arrow pointing left to a boy icon. The seventy-eighth column contains seven empty circles. The seventy-ninth column contains a circle with an arrow pointing left to a boy icon. The eightieth column contains seven empty circles. The eighty-first column contains a circle with an arrow pointing left to a boy icon. The eighty-second column contains seven empty circles. The eighty-third column contains a circle with an arrow pointing left to a boy icon. The eighty-fourth column contains seven empty circles. The eighty-fifth column contains a circle with an arrow pointing left to a boy icon. The eighty-sixth column contains seven empty circles. The eighty-seventh column contains a circle with an arrow pointing left to a boy icon. The eighty-eighth column contains seven empty circles. The eighty-ninth column contains a circle with an arrow pointing left to a boy icon. The ninetieth column contains seven empty circles. The ninety-first column contains a circle with an arrow pointing left to a boy icon. The ninety-second column contains seven empty circles. The ninety-third column contains a circle with an arrow pointing left to a boy icon. The ninety-fourth column contains seven empty circles. The ninety-fifth column contains a circle with an arrow pointing left to a boy icon. The ninety-sixth column contains seven empty circles. The ninety-seventh column contains a circle with an arrow pointing left to a boy icon. The ninety-eighth column contains seven empty circles. The ninety-ninth column contains a circle with an arrow pointing left to a boy icon. The hundredth column contains seven empty circles.
