

## EL BINGO DE LA LETRA F

Hoy uno de nuestros amigos nos ha enseñado el regalo que su padre le ha dado traído de su último viaje a unas islas muy lejanas. Se trata de un bingo mágico. Con el que su padre le ha contado que nos vamos a divertir un montón a la vez que aprendemos.

Hemos abierto la caja donde estaba el bingo en clase y nuestra maestra nos ha empezado a leer las instrucciones para que juguemos.

1.- Un alumno de la clase debe de pensar una palabra, y mirar fijamente al bingo mágico.

2.- Entonces el bingo se pondrá a girar y a girar y comenzará a expulsar bolas.

3.- Solo hay un pequeño problema las bolas que forman la palabra que ha pensado vuestro amigo salen desordenadas.

4.- Ahora solo tenéis que intentar combinar las letras y sacar la palabra que nuestro compañero ha pensado. (Pueden existir varias combinaciones con las mismas letras todas las posibilidades son válidas).
