Un Koala El kiosco El ketchup

Un kiwi La wifi Una webcam

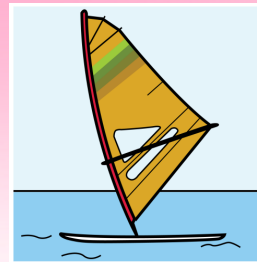

Karateka El Bikini Un Rochero

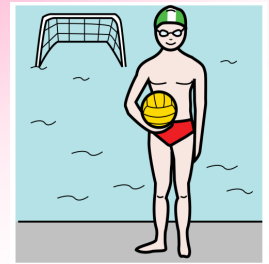

Un sandwich Whisky El Water

Un vikingo Frankenstein

Windsurf

Waterpolo

Me gusta conectarme por wifi a la página web de mi amigo Kevin que vive en Kioto y ver por webcam cómo hace kun fú. En una ocasión me enseñó un concierto de rock en el que en lugar de escuchar música se estaba poniendo pús comiendo sandwiches, kebab y perritos calientes con más ketchup que salchichas.
