

## Ficha de trabajo

# Siluetas

La realización de estas actividades consigue que nuestros alumnos fijen su atención en un objeto determinado analizando su contorno de tal forma que aprenden a diferenciar los objetos sin estar dibujado con todas sus características solo el contorno. Podemos emplear para estas actividades personajes de comic o dibujos animados de los que ven habitualmente en casa para motivarlos.

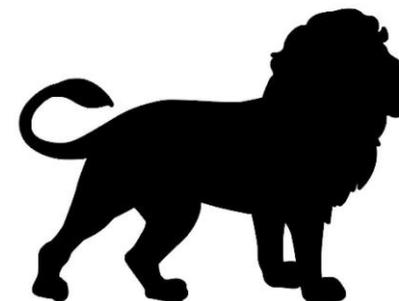

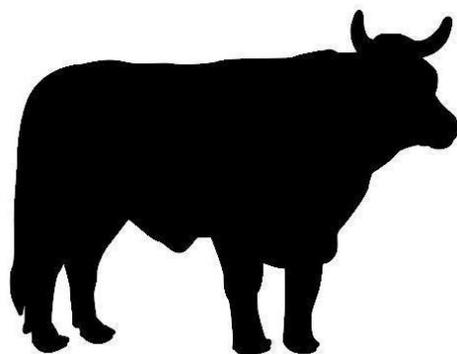

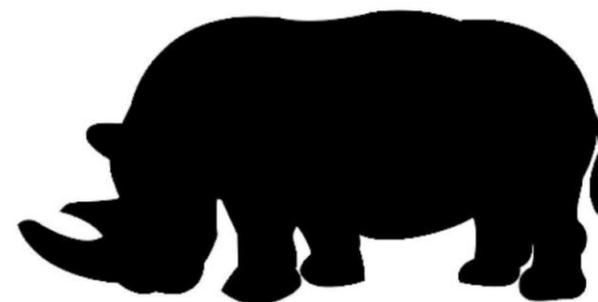

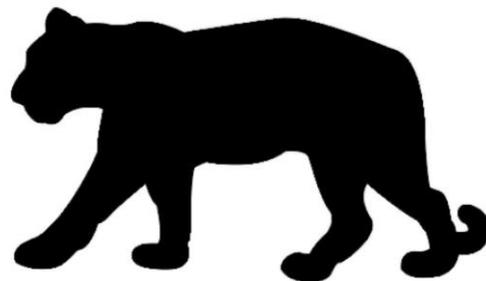

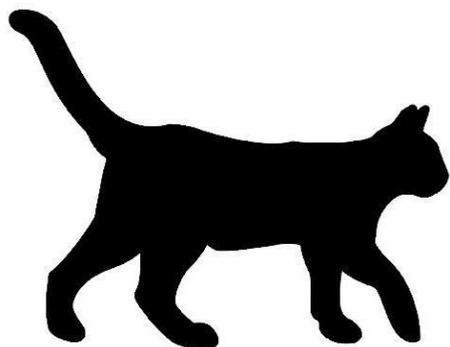

## Atención con siluetas

Rodea con un círculo la silueta del perro

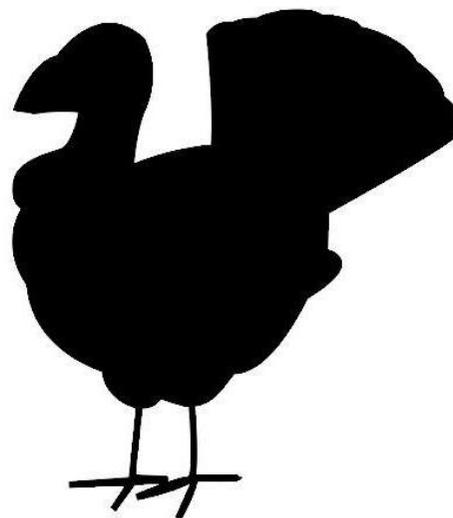

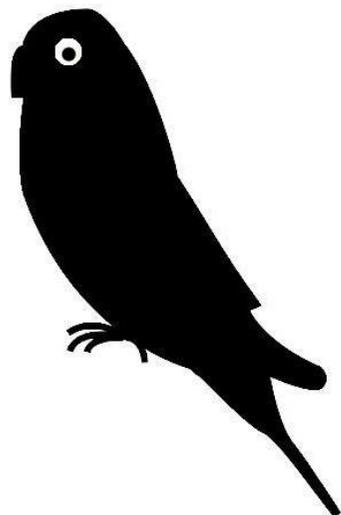

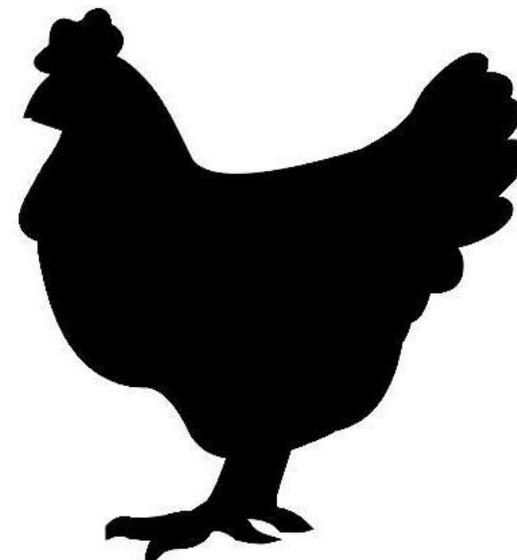

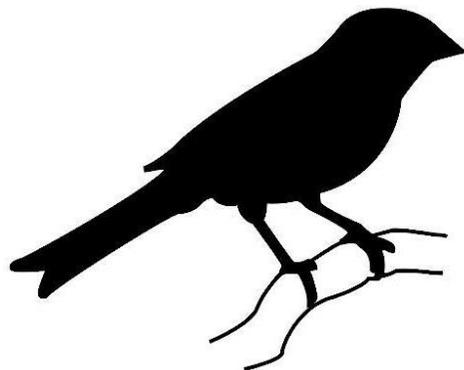

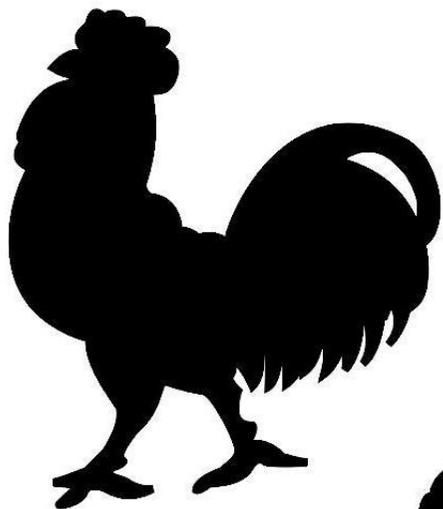

## Atención con siluetas
