The house-shaped worksheet features a blue roof with a purple chimney on the left. Three circles on the roof contain numbers 1, 2, and 3, each constructed from colorful puzzle pieces. The main body of the house is green and contains a 4x4 grid of addition problems. Each problem is presented as a number made of puzzle pieces, followed by a plus sign, another number made of puzzle pieces, an equals sign, and an empty box for the answer.
