RECONOCIMIENTO DE FIGURAS

The main area contains six 3D structures, each with a colored circle above it. The structures are composed of cubes and pyramids. The colors used are red, yellow, blue, and green. The circles are colored blue, orange, red, yellow, green, and purple from top-left to bottom-right.

To the right of the main area is a vertical column of six boxes, each containing a different set of 3D shapes. The shapes are colored red, yellow, blue, and green. The boxes contain the following shapes:

- Box 1: 1 red cube, 2 yellow cubes, 1 blue cube, 1 blue pyramid.
- Box 2: 1 red pyramid, 1 yellow cube, 1 red cube, 1 blue cube, 1 blue pyramid.

RECONOCIMIENTO DE FIGURAS

The image shows six pairs of 3D block structures. Each pair consists of a target structure on the left and a set of individual blocks on the right. A colored circle is placed next to each target structure. The blocks are yellow, red, blue, and purple pyramids and cubes.

- Pair 1:** Target structure (left) has a red circle. It consists of five blocks: yellow pyramid, yellow cube, red pyramid, yellow cube, yellow pyramid. Individual blocks (right) include yellow, red, and blue pyramids and cubes.
- Pair 2:** Target structure (left) has a yellow circle. It consists of five blocks: blue pyramid, yellow cube, yellow pyramid, yellow cube, blue pyramid. Individual blocks (right) include yellow, red, and blue pyramids and cubes.
- Pair 3:** Target structure (left) has a purple circle. It consists of five blocks: blue pyramid, red cube, yellow cube, blue pyramid, red cube. Individual blocks (right) include blue, red, and yellow pyramids and cubes.
- Pair 4:** Target structure (left) has a green circle. It consists of five blocks: yellow pyramid, red cube, red pyramid, red cube, yellow pyramid. Individual blocks (right) include blue, red, and yellow pyramids and cubes.
- Pair 5:** Target structure (left) has a blue circle. It consists of five blocks: yellow pyramid, red cube, yellow cube, blue pyramid, red cube. Individual blocks (right) include yellow, blue, and red pyramids and cubes.
- Pair 6:** Target structure (left) has an orange circle. It consists of five blocks: yellow pyramid, red cube, blue pyramid, red cube, yellow pyramid. Individual blocks (right) include yellow, red, and blue pyramids and cubes.
