

Practicamos las multiplicaciones

María Olivares para Orientación Andújar

Colorea cada dibujo del color que le corresponda, en función de la relación multiplicación - resultado.

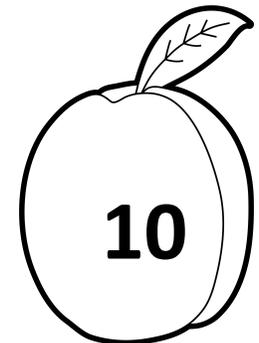

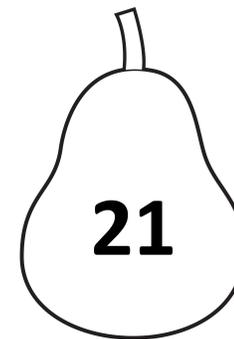

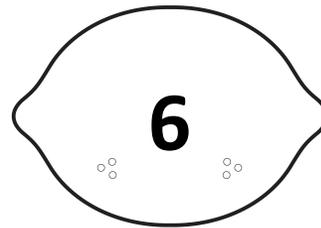

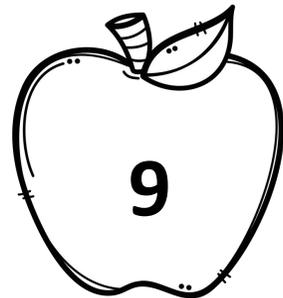

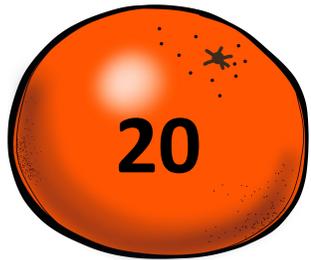

2×3

5×2

3×3

4×5

7×3

Colorea cada dibujo del color que le corresponda, en función de la relación multiplicación - resultado.

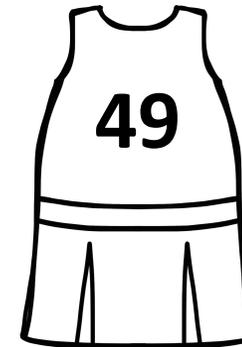

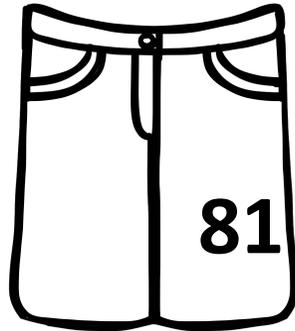

5 x 5

6 x 6

7 x 7

8 x 8

9 x 9

Colorea cada dibujo del color que le corresponda, en función de la relación multiplicación - resultado.

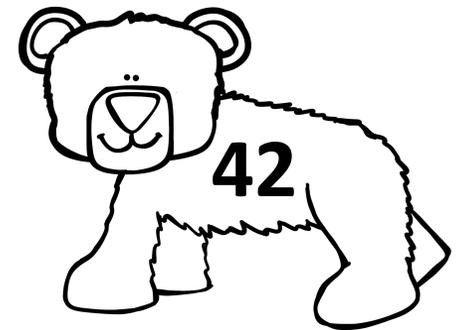

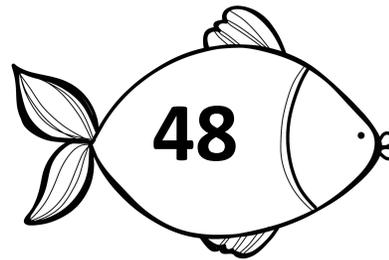

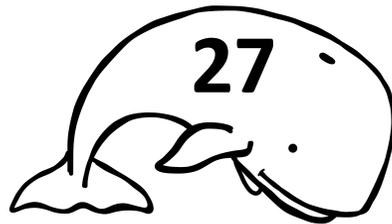

3×9

5×7

8×4

6×8

7×6

Colorea cada dibujo del color que le corresponda, en función de la relación multiplicación - resultado.

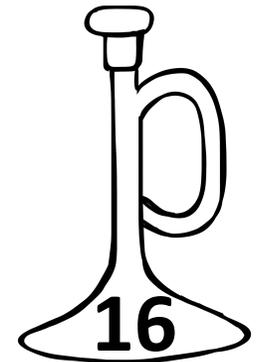

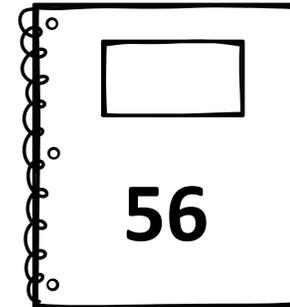

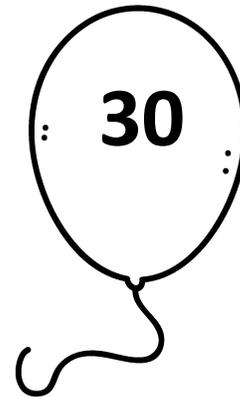

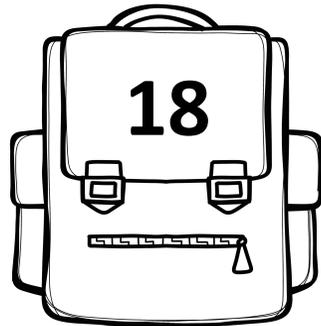

4×4

7×8

5×6

2×9

3×4

Colorea cada dibujo del color que le corresponda, en función de la relación multiplicación - resultado.

7×4

5×3

9×6

8×5

7×9
