1

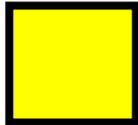

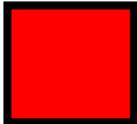

2

3

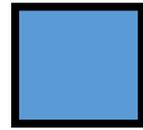

4

		→	3	1
		→	---	---
		→	---	---
		→	---	---

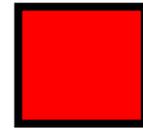

Memoriza que color representa cada número y a continuación escribe la cifra, sigue el ejemplo.

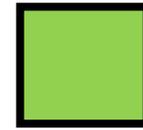

5

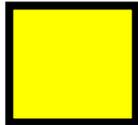

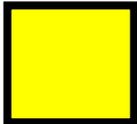

7

9

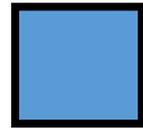

8

		→	---	---
		→	---	---
		→	---	---
		→	---	---

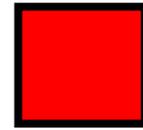

Memoriza que color representa cada número y a continuación escribe la cifra, sigue el ejemplo.

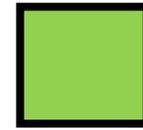

3

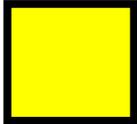

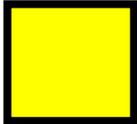

6

4

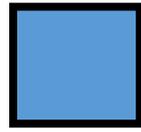

1

		→	---	---
		→	---	---
		→	---	---
		→	---	---

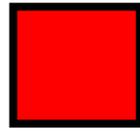

Memoriza que color representa cada número y a continuación escribe la cifra, sigue el ejemplo.

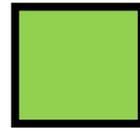

9

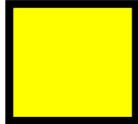

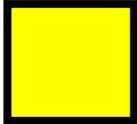

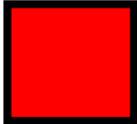

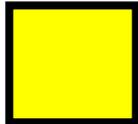

5

7

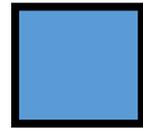

2

		→	---	---
		→	---	---
		→	---	---
		→	---	---

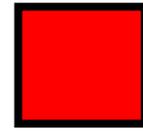

Memoriza que color representa cada número y a continuación escribe la cifra, sigue el ejemplo.

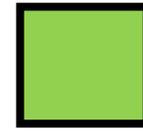

10

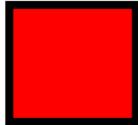

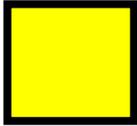

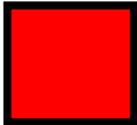

20

30

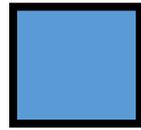

40

		→	---	---
		→	---	---
		→	---	---
		→	---	---

Memoriza que color representa cada número y a continuación escribe la cifra, sigue el ejemplo.

15

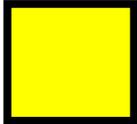

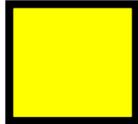

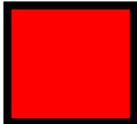

51

27

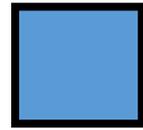

72

		→	---	---
		→	---	---
		→	---	---
		→	---	---

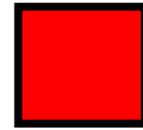

Memoriza que color representa cada número y a continuación escribe la cifra, sigue el ejemplo.

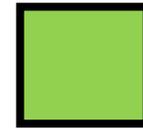

33

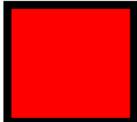

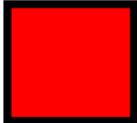

44

55

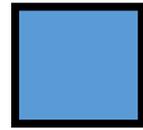

66

		→	---	---
		→	---	---
		→	---	---
		→	---	---

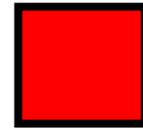

Memoriza que color representa cada número y a continuación escribe la cifra, sigue el ejemplo.

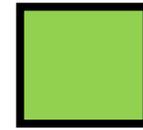

19

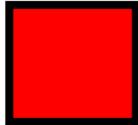

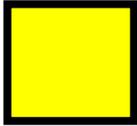

20

21

22

		→	---	---
		→	---	---
		→	---	---
		→	---	---
