colorea, escribe números y recorta para crear tu propio puzle.

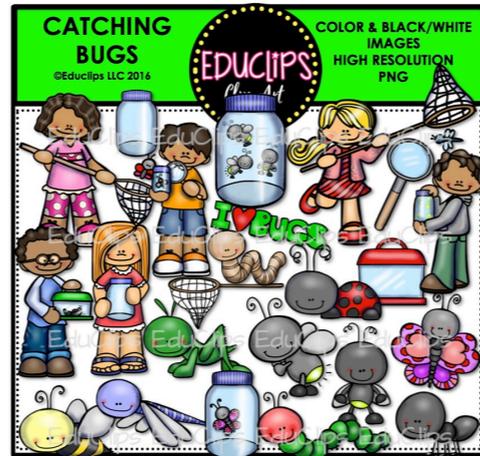

colorea, escribe números y recorta para crear tu propio puzle.

Los cliparts usados para este material los compré en Teachers Pay Teachers. Son varios paquetes, todos son de Educlips clipart. Se llaman “Daisies”, “Catching Bugs” y “Chasing butterflies”

Cualquier actividad que conlleve la venta usando mi material está prohibida. He creado este juego de tarjetas para compartirlo, si lo utilizas nómbrame como autora. Si publicas en redes etiquétame para que pueda ver cómo lo usas. Me hará mucha ilusión.
