

EXACTITUD LECTORA

Cecilia Ramos N° COLEGIADA: 15/0402
@ideaslogopedicas

¡Bienvenidos!

Os presentamos este material para mejorar la exactitud lectora y favorecer la ruta fonológica.

Se presentan 70 páginas con más de doscientas palabras de diferentes longitudes, compuestas por distintos tipos de sílabas para así comprobar en qué falla nuestro paciente, alumno o hijo.

PASOS

PRIMERO

El niño lee y analiza cada palabra del grupo.

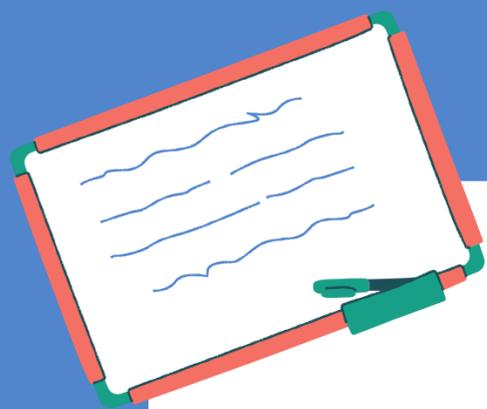

SEGUNDO

El niño decide cuál es la palabra correcta del grupo.

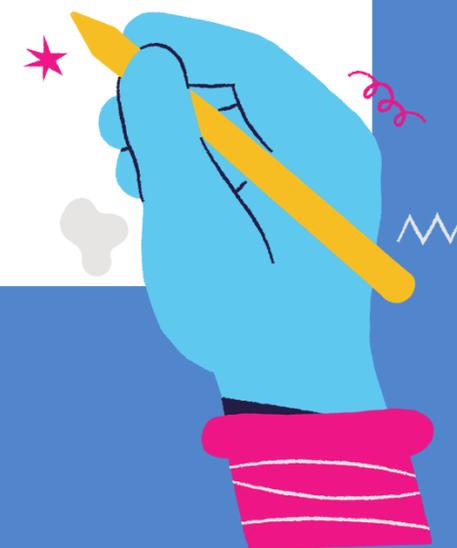

TERCERO

El niño deletrea la palabra correcta sin mirar.
