

INFERENCIAS:

Colorea la opción
correcta

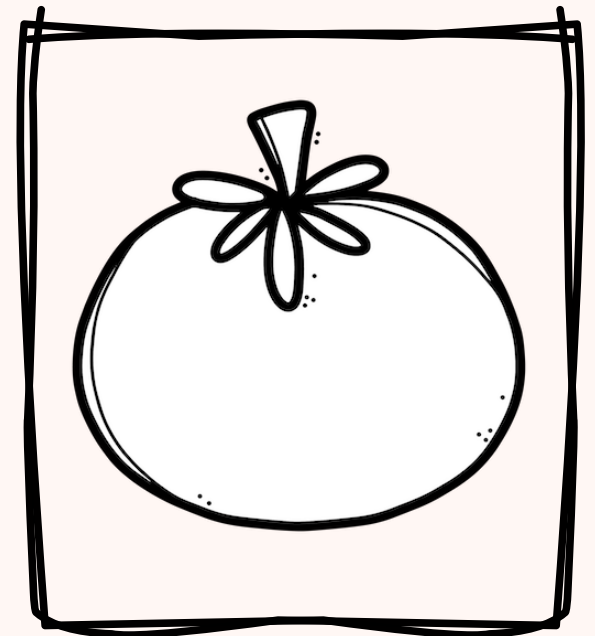

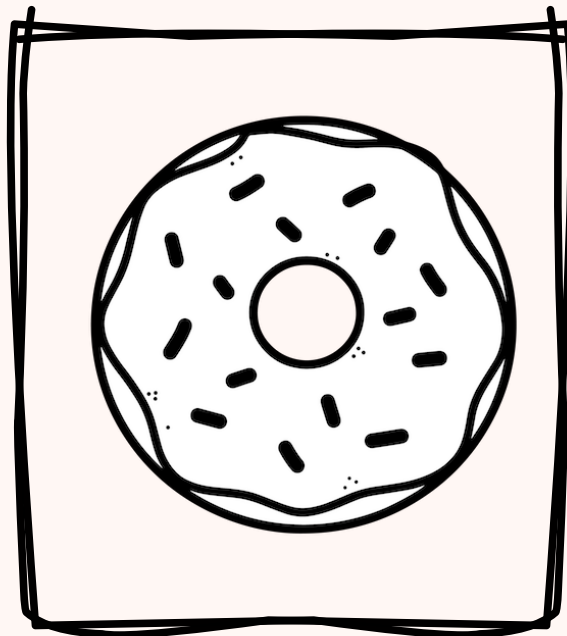

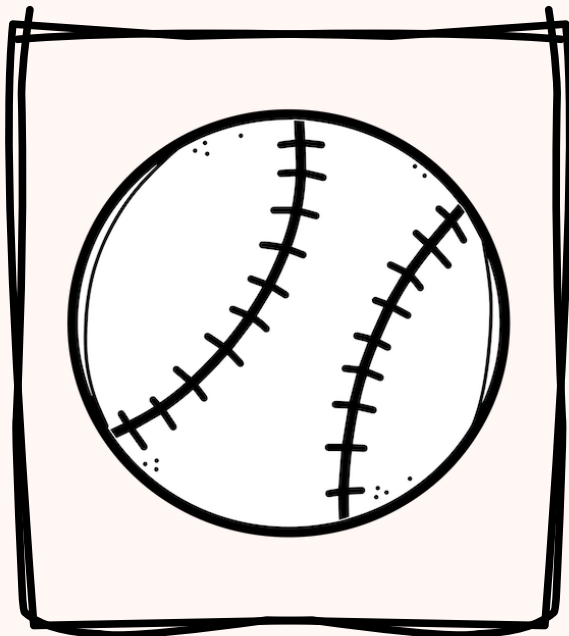

Es lo que más me gusta
comer mientras
miro una película.

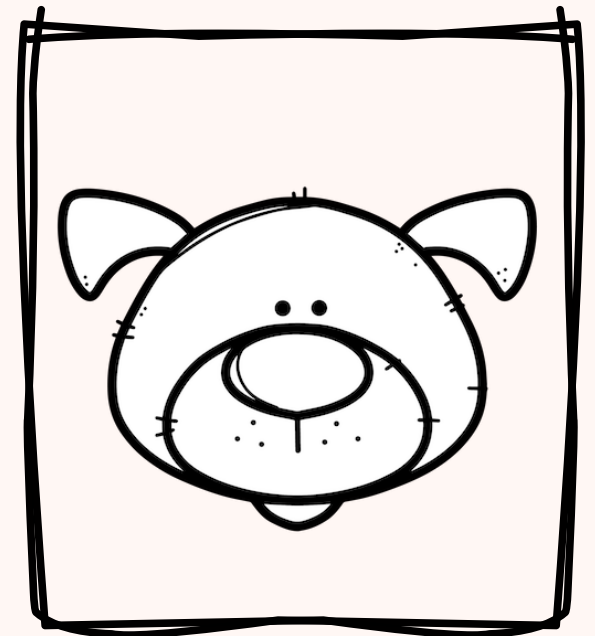

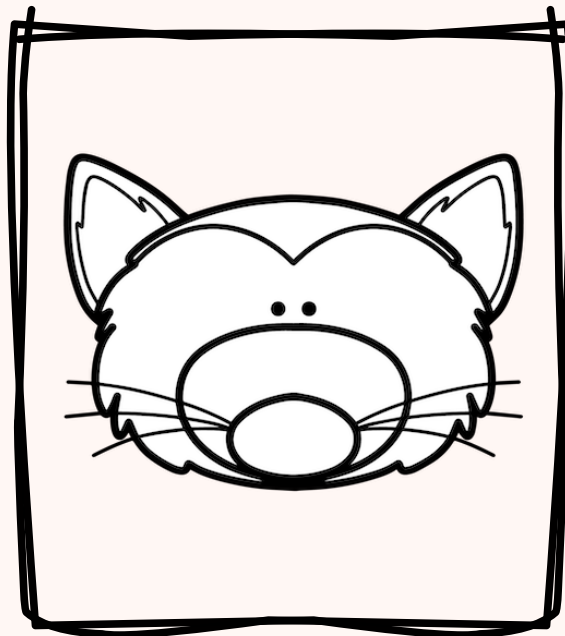

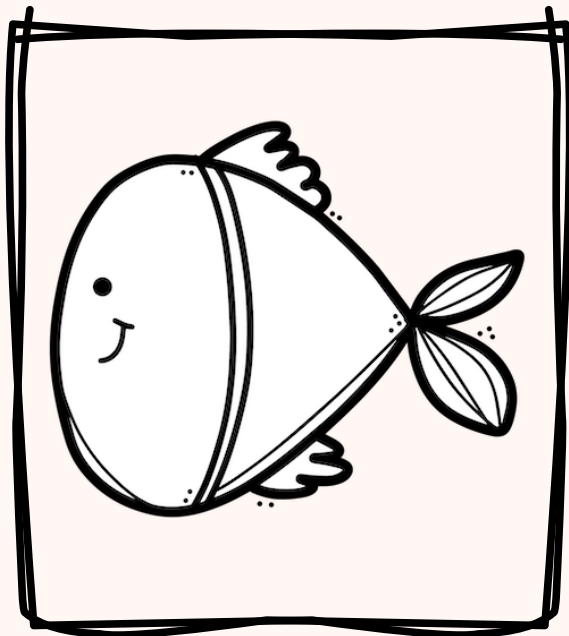

Queríamos algo redondo
para jugar.

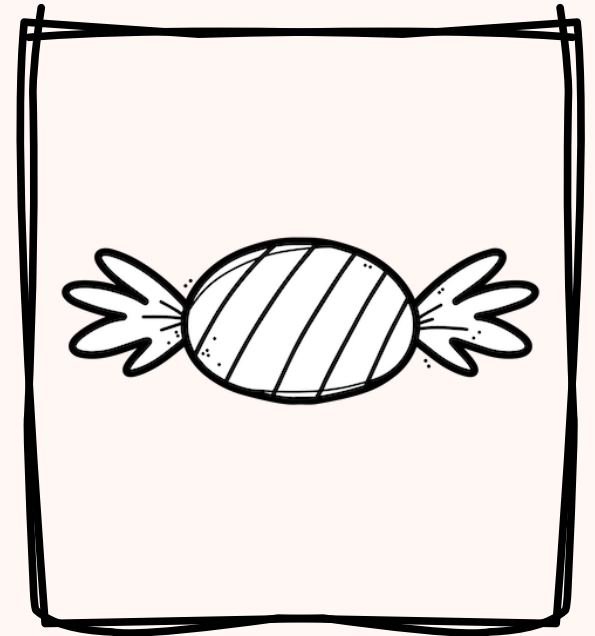

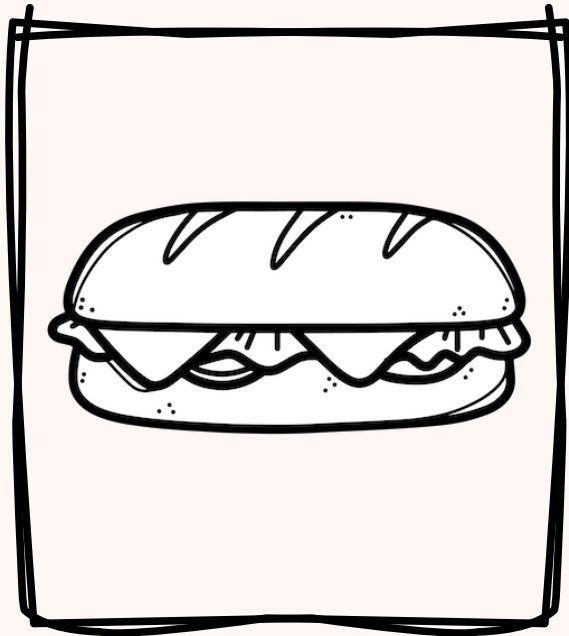

Cuando nos vio saltaba
contento y movía la cola.

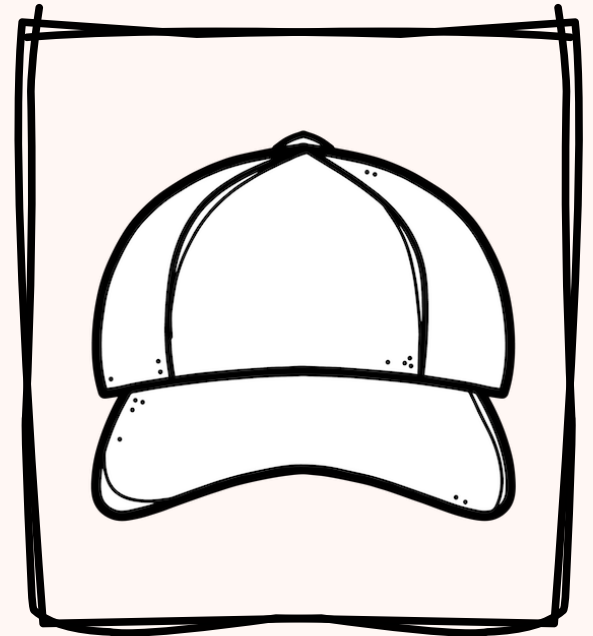

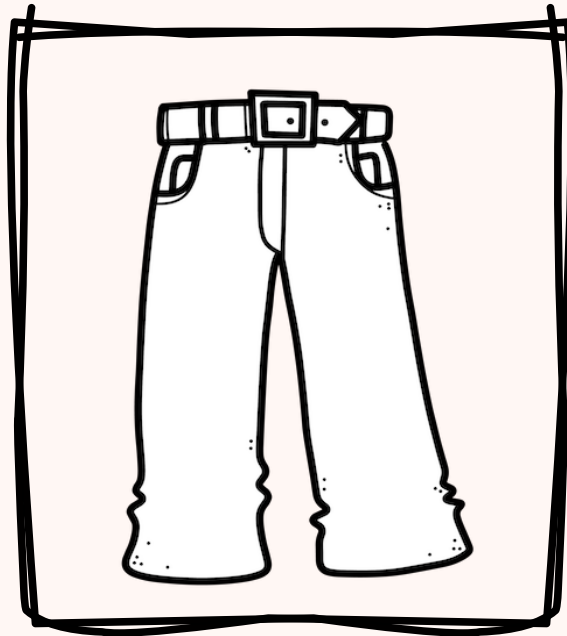

Lo comí rápido antes
de que se derrita.

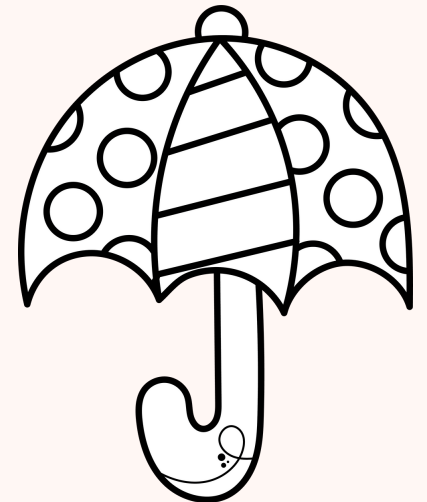

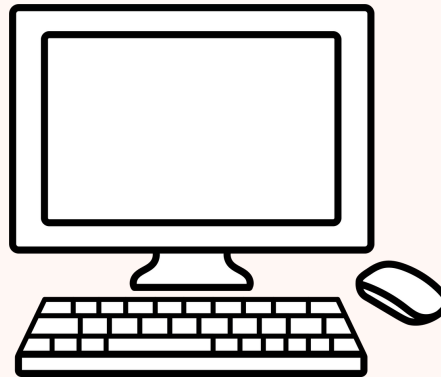

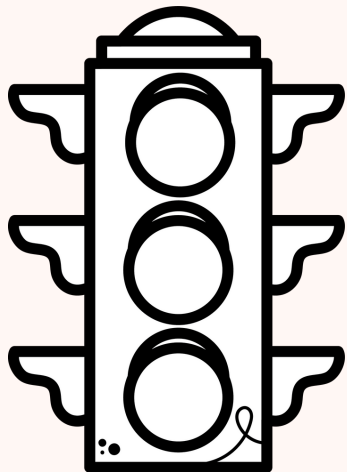

La necesitaba para
cubrirme del sol.

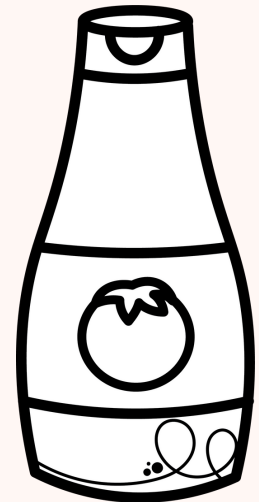

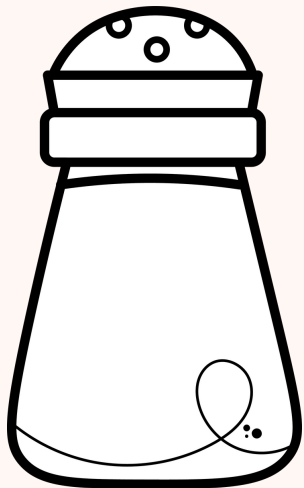

Como no funcionaba, en la esquina chocaron dos autos.

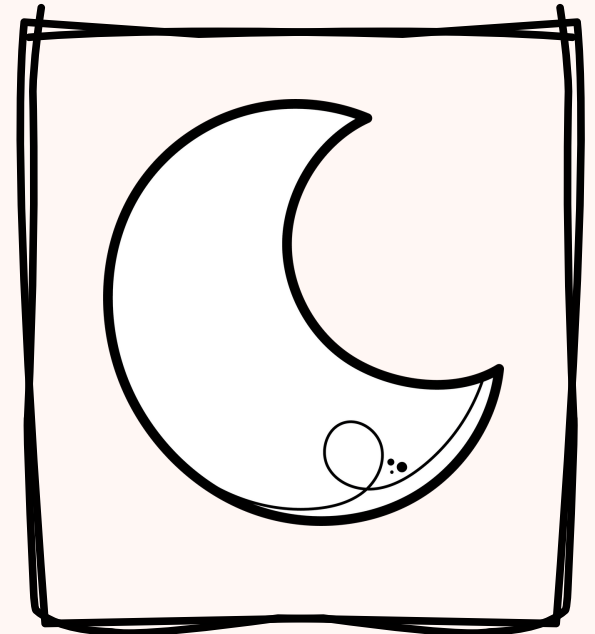

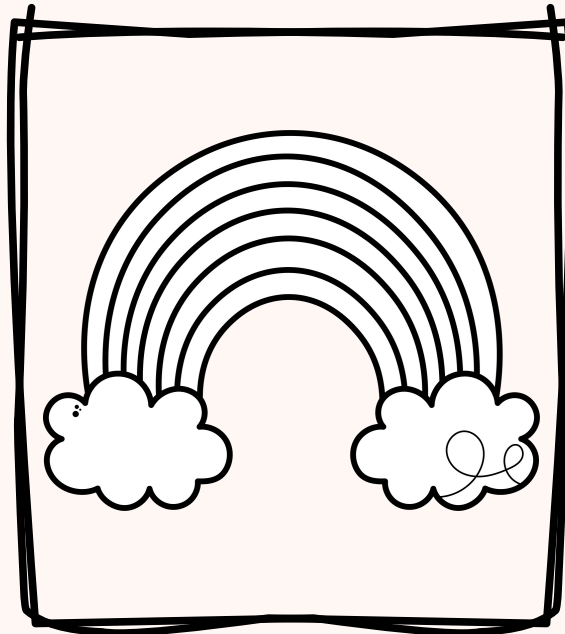

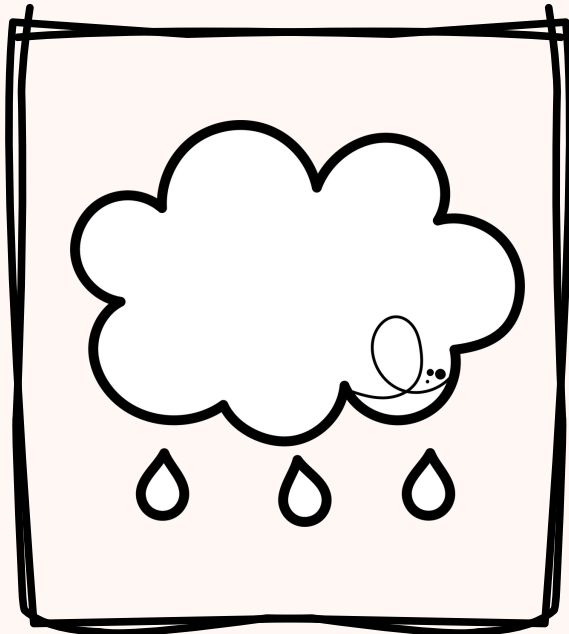

Nada mejor para acompañar
la tostada en el desayuno.

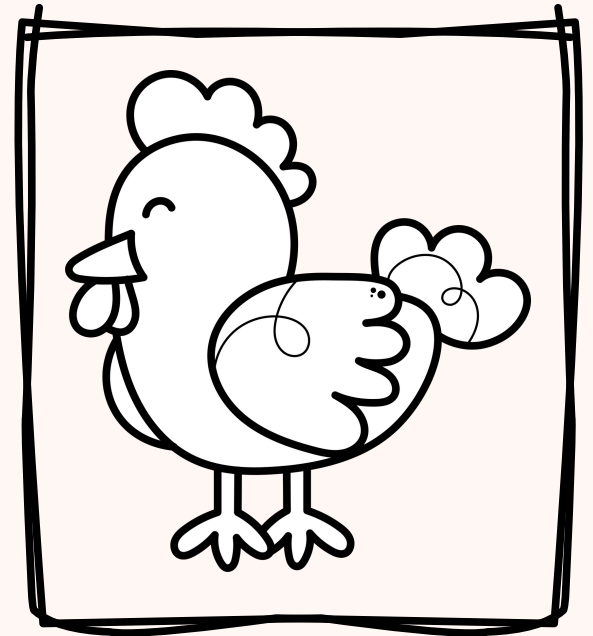

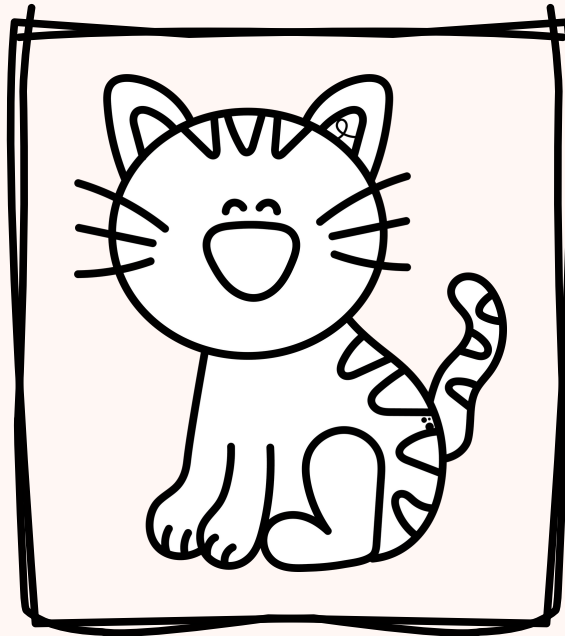

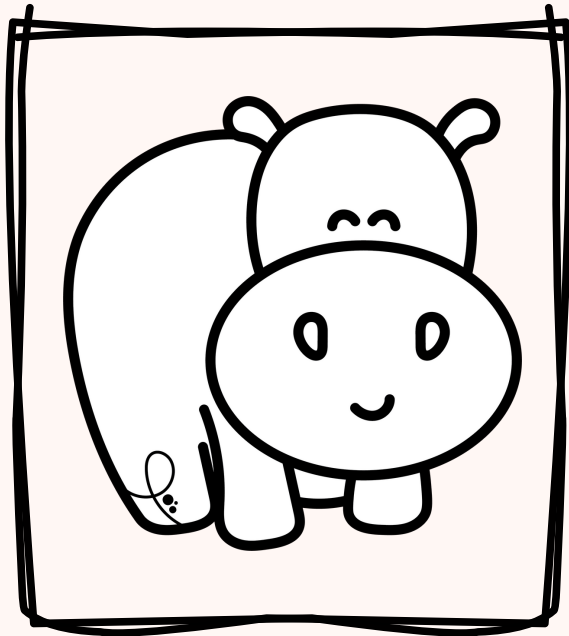

Por suerte no olvidé
mi paraguas.

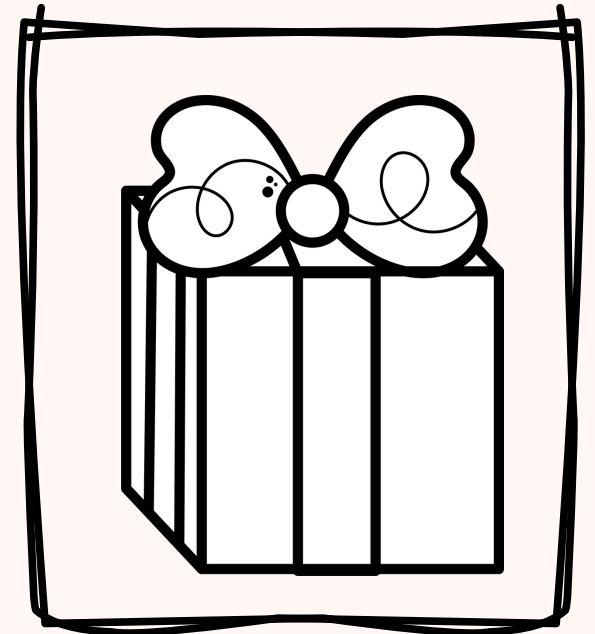

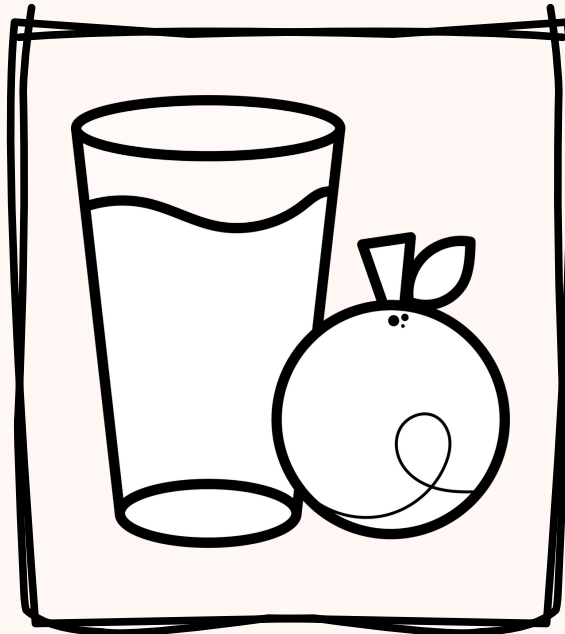

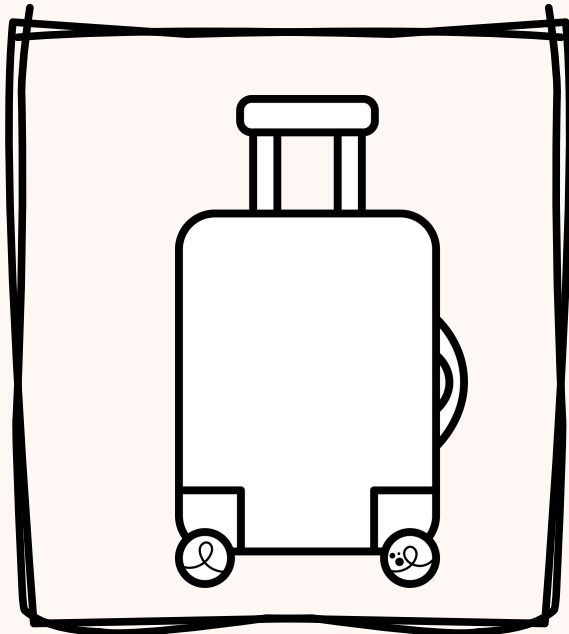

Había puesto muchos huevos
durante la tarde.

Ya tengo todo listo para
el viaje.

Lo necesito para dejar
escrita una nota.
