**Hola compañer@s y familias!!!**

**Soy Carmen, maestra AL en un pequeño pueblo de los Pirineos. Me encanta mi trabajo y aún más hacer nuevos materiales con los que jugar y enseñar a mis alumnos y a mi hija pequeña Astrid.**

**Aquí tenéis un pedacito de mi trabajo!!!**

**El monstruo de las galletas está hambriento, tendremos que darle de comer las galletas correctas que forman las palabras de las imágenes de nuestros botes de galletas. Un material y varias opciones de juego:**

### **LECTOESCRITURA Y CAMPOS SEMÁNTICOS**

- **Los peques cogen un bote con imagen y le dan de comer las letras que forman esa palabra, después se autocorrigien con el bote de esa palabra.**
- **Los peques cogen todos los botes de una categoría semántica y tiene que poner todas las letras de cada palabra que compone ese campo semántico, después se autocorrigien con el bote de ese campo semántico. Tenéis el material en castellano y catalán para imprimir el que necesitéis. Os recomiendo recortar y plastificar el material para que os dure más tiempo.**

**Este material es para uso escolar o familiar y yo misma soy quién sin ningún tipo de inconveniente lo ofrezco a quien le sea necesario, es por ello que pido por favor que no se use cambiando la autoría pues como he dicho anteriormente ha supuesto un esfuerzo que espero tenga en cuenta todo aquel que tenga en sus manos este material. Para conseguirlo es tan fácil como pasarse por mi Instagram o Blogspot y descargarlo.**

**Yo también empecé de cero y necesité material para poder poner en práctica mis conocimientos en mi trabajo.**

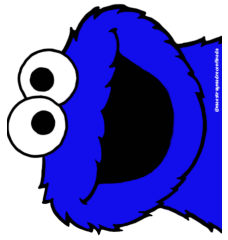

**Sin más, espero poder facilitaros el trabajo a todos y que muchos niños y niñas disfruten a través de los juegos que componen este nuevo material.**
