A DAY AT THE ZOO

Hello Jake!

I'm so excited you're coming to visit. Last weekend, I went to the zoo and it was amazing! I saw a lot of animals, but my favorite was the big, grey elephant. It was eating grass. Do you like elephants?

There was also a funny monkey. It was playing with a ball and swinging on trees. I laughed a lot watching it. Do you think monkeys are funny?

I also saw a tall giraffe eating leaves from a tree. Its neck was so long! And there were colorful birds singing beautiful songs. Have you ever seen a giraffe?

I ate lunch at the zoo. I had a sandwich and an apple. What do you like to eat for lunch?

I can't wait to go to the zoo with you next time. Maybe we can see the lions and tigers too!

See you soon

A FUN DAY AT THE BEACH

Hello, my name's Max.

I'm really excited today. I'm wearing my new swimsuit. It's awesome! It's blue with red stripes. I love wearing it to the beach. My sister has a new swimsuit too. Her swimsuit is yellow with green polka dots. She loves playing in the sand with her beach ball.

My dad's wearing his old hat, but he bought new sunglasses. Today, we're spending the day at the beach. I love building sandcastles and swimming in the sea. The beach is my favorite place. We play, swim, and then have a picnic. We always go home feeling happy and tired.

CAMPING ADVENTURE

Hello, my name is Emma.

Today is an exciting day because we're going camping. I'm wearing my new hiking boots and a comfortable jacket. My boots are brown and very sturdy. I love hiking in the mountains.

My brother, Alex, has a new flashlight. He can't wait to use it at night. We love telling stories around the campfire. Alex's flashlight is black and very bright.

Mom packed delicious sandwiches and snacks for our hike. We're also bringing our tent. It's green and very spacious. Sleeping under the stars is my favorite part of camping.

Tonight, we'll roast marshmallows and watch the stars. I can't wait to see the constellations. Camping always makes me happy and excited.

EXPLORING PARIS

Hello Sarah,

I hope you're doing well! I'm in Paris, France, and it's absolutely beautiful here. The weather is lovely; it's warm and sunny, perfect for exploring. I've been wearing my favorite summer dress and sandals every day. How's your trip to Spain? Is it sunny there too?

I've been enjoying lots of French cuisine. Croissants, cheese, and especially the pastries are amazing! What kind of food are you trying in Spain? Here in Paris, it's been around 25 degrees Celsius.

Today, I visited the Eiffel Tower and tomorrow, I plan to see the Louvre Museum. I love the architecture and the art in Paris. It's so inspiring! Do you like the places you're visiting in Spain?

Can't wait to catch up and share our travel stories. See you soon!

*Best wishes,
Emily*
