The image shows a 6x4 grid of 24 empty, rounded rectangular boxes. Each box has a thin, solid-colored border and a white interior. The colors of the borders follow a repeating pattern: orange, teal, yellow, and red. This pattern repeats three times across the grid. In addition to these four colors, there are also six light gray boxes. These light gray boxes are positioned in the first column of each row. The entire grid is set against a background with very faint, light blue horizontal grid lines.
