Tener una educación de calidad

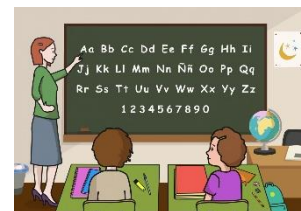

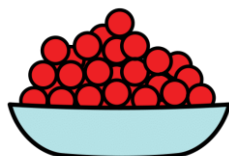

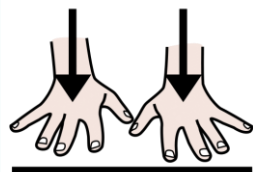

Estas son sus metas

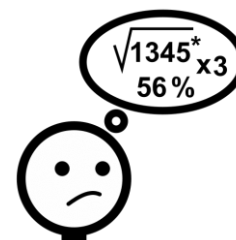

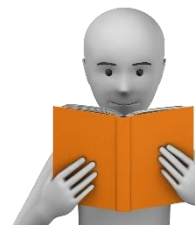

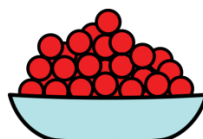

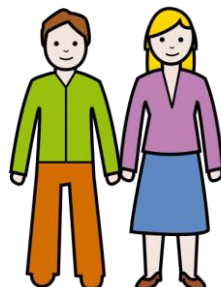

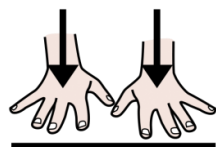

Todas las personas tienen derecho a una educación de calidad.

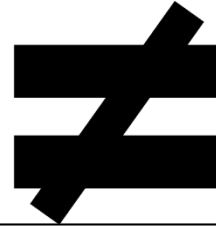

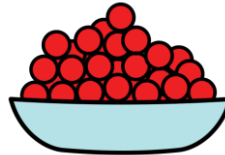

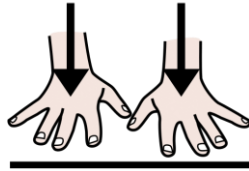

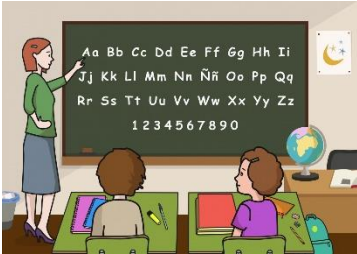

Tener todos las mismas oportunidades para aprender toda la vida.

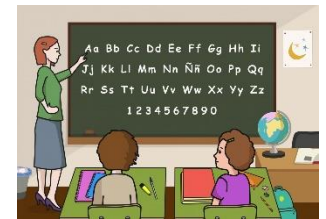

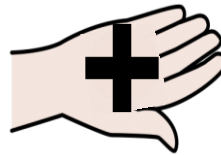

Hay muchos niños y jóvenes que no van al colegio.

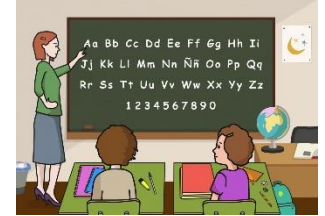

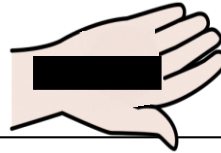

Hay jóvenes, adultos y muchas mujeres que leen y escriben con dificultad.

En educación hay muchas desigualdades.

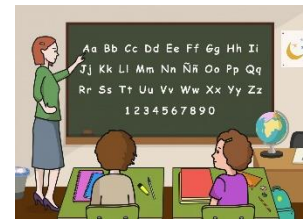

Los niños ricos de ciudad tienen más oportunidades para ir al colegio.

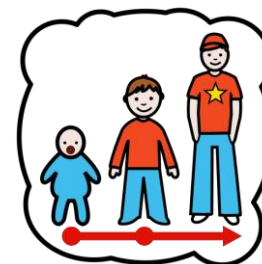

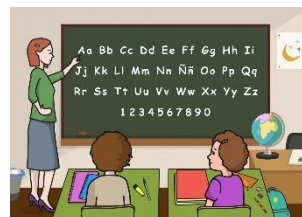

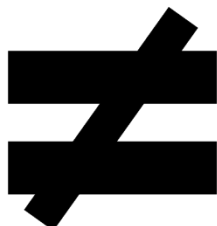

Los niños pobres y de pueblos tienen menos oportunidades para ir al colegio

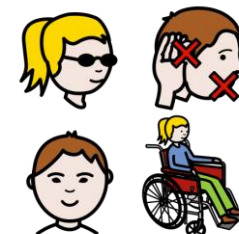

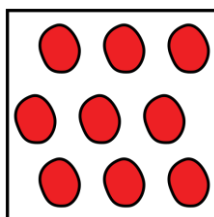

-

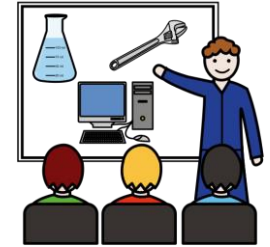

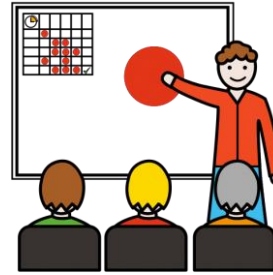

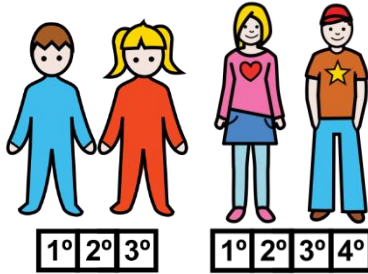

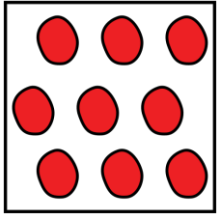

La agenda 2.030 propone conseguir una escuela gratuita y de calidad.

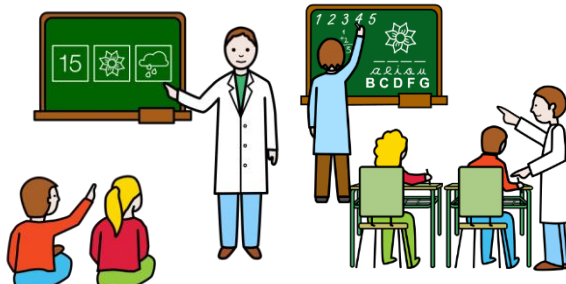

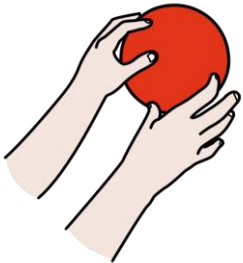

Terminar con las desigualdades de género en la educación desde infantil a 2ª

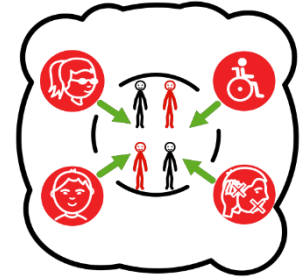

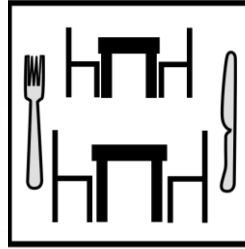

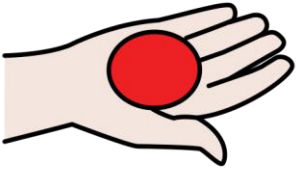

Asegurar el acceso de todas las personas

a todos los niveles de enseñanza: universidad y F.P.

Se conseguirá con personal docente cualificado.

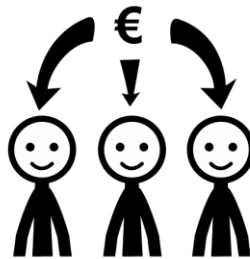

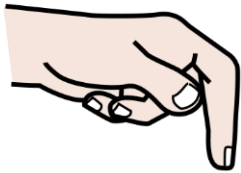

Teniendo

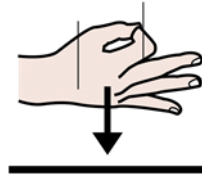

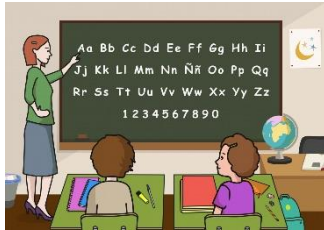

instalaciones educativas adecuadas

e

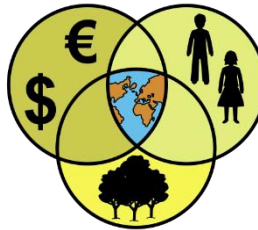

inclusivas.

Para eso se necesitan recursos humanos, dinero y cooperación internacional.

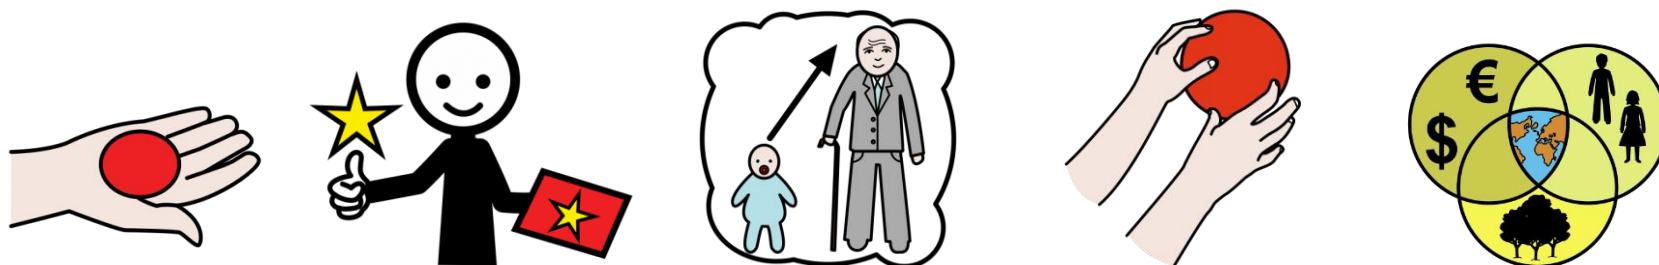

Con la educación es posible salir de la pobreza.

Promover estilos de vida sostenibles. Respetar los Derechos Humanos.

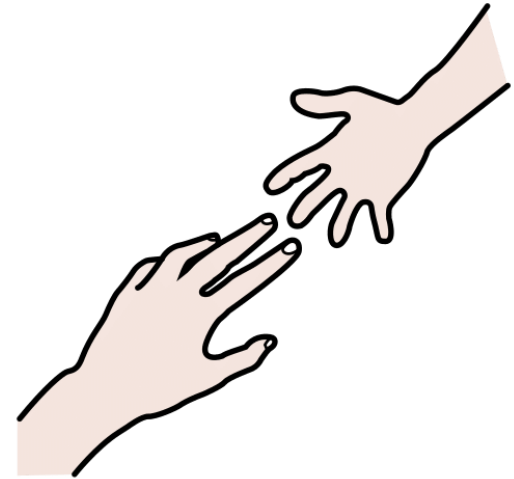

Fomentar el respeto, la cultura de paz y la igualdad de género.

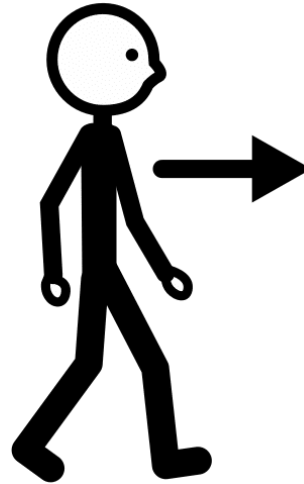

Tener calidad de vida y alcanzar el desarrollo sostenible.

Si alcanzamos este objetivo podremos alcanzar otros de la agenda.

¡Tengamos voluntad para cooperar!

¿Nos

ponemos

a

ello?
