

Frozen – A Simple Story About Two Sisters

Elsa and Anna are sisters.
They live in a big castle in Arendelle.
Elsa has magic powers.
She can make snow and ice with her hands.
Anna loves her sister very much.
They play together every day.

One day, Elsa hurts Anna with her magic.
Elsa is scared.
The king and queen go to the trolls.
The trolls help Anna, but erase her memory.

Elsa stays in her room.
She does not want to hurt Anna again.
Anna feels sad and alone.

Years pass. Elsa becomes queen.
There is a big party at the castle.
Anna meets a prince named Hans.
They want to get married.
Elsa says no.
Elsa gets nervous and her magic goes out of control.
She makes eternal winter in Arendelle and runs away.

Anna wants to help Elsa.
She goes to the mountains.
She meets Kristoff, a man who sells ice,
and his reindeer Sven.
They also meet Olaf, a snowman made by Elsa.

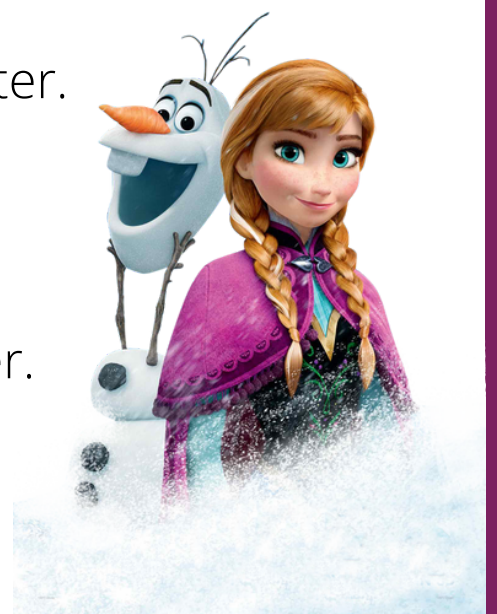

Anna finds Elsa in her ice castle.
Elsa is afraid.
Her magic hits Anna again.
Anna's heart starts to freeze.

Kristoff takes Anna to the trolls.
They say: "Only true love can save her."

Anna thinks Hans can kiss her.
But Hans is not a good prince.
He wants the crown!

Elsa is very sad.
She doesn't know how to stop the winter.

Anna runs to help Elsa.
Hans wants to hurt Elsa with a sword.
But Anna jumps and protects her sister.

Anna turns to ice.
Elsa hugs her and cries.
Suddenly... Anna melts!

Anna's love saves her.
Elsa learns: love can control her magic.

Now, Arendelle is warm again.
Elsa and Anna are happy.
They are together.
The castle is open.
And Olaf has his own little snow cloud!
