Reading Comprehension: Superman

Superman: A Hero from Another Planet

Superman is a superhero from the planet Krypton. When he was a baby, his parents sent him to Earth because his planet was going to explode. A kind couple, the Kents, found him and named him Clark Kent.

Clark grew up in Kansas and had special powers. He is very strong, he can fly, and he has X-ray vision. When he became an adult, he worked as a reporter in the city of Metropolis. When people are in danger, Clark becomes Superman. He wears a blue suit and a red cape, and he helps people all over the world.

Reading Comprehension: Iron Man

Iron Man: The Man in the Metal Suit

Iron Man is a superhero, but he doesn't have powers like flying or super strength by himself. His real name is Tony Stark, and he is a very smart inventor and rich businessman.

One day, Tony was hurt in an accident and built a metal suit to save his life. The suit gave him power — now he can fly, shoot energy from his hands, and protect people.

Tony decided to become Iron Man and use his technology to fight bad guys and help the world. His suit is red and gold, and he has many different versions of it.

Iron Man is brave, intelligent, and always ready to help when the world needs him.

1- Read the text. Are the sentence true (T) or false (F)?
