This image shows a single sheet of white paper designed for handwriting practice. It features a thick orange border around the edges. Inside the border, there are ten horizontal rows of small orange dots, each row containing twenty dots. These rows are intended to guide letter height and placement as students write. The paper has a slightly irregular, hand-drawn appearance at the top and bottom edges.

**SÁBADO**[illegible][illegible][illegible]This image shows a single sheet of white paper designed for handwriting practice. The paper has a decorative, slightly irregular border in a dark teal color. It features fifteen horizontal rows of light blue dots, each row containing twenty dots spaced evenly apart. These rows are intended to guide letter height and placement as one writes. The paper is set against a solid green background.[illegible]This image shows a single sheet of white paper with a thick, dark green border. The paper contains five horizontal rows of small, light blue dots, spaced evenly apart, intended for children's handwriting practice. Each row consists of 15 dots.
