

My Dog Bruno

Reading Comprehension Activity

Read the text about oceans and complete the exercises

Hello! My name is Tom and I am eight years old. I have a big brown dog. His name is Bruno.

Bruno has small ears, a long tail and big eyes. He is very friendly.

Every morning, we go to the park. Bruno runs very fast and plays with a ball. In the afternoon, he sleeps in his bed. He eats meat, rice and sometimes biscuits.

I love Bruno because he is my best friend.

1. Decide if the sentences are true (T) or false (F)?

- 1 Bruno is a cat.
- 2 Bruno sleeps in the afternoon.
- 3 Tom is nine years old.
- 4 Bruno plays with a ball in the park.
- 5 Bruno eats fish and pizza.

2. Answer the questions.

- 1 How old is Tom?
- 2 What colour is Bruno?
- 3 What does Bruno have? (ears, tail, eyes...)
- 4 What does Bruno eat?
- 5 Why does Tom love Bruno?

On The Farm

Reading Comprehension Activity

Read the text about oceans and complete de exercices

Hello! My name is Anna. My grandparents live on a big farm.
There are many animals on the farm. There are cows, sheep, pigs and horses.
The cows are white and brown. They give us milk every morning.
The sheep are small and they have soft wool.
The pigs are pink and very funny. They like to play in the mud.
The horses are strong. I like to ride a black horse called Star.
I love going to the farm because I can feed the animals and play outside.

1. Match the animal and the word

- | | |
|---------|------|
| 1 Cow | Wool |
| 2 Sheep | Ride |
| 3 Pig | Milk |
| 4 Horse | Mud |

2. Answer the questions.

- 1 Who lives on the farm?
- 2 What colour are the cows?
- 3 What do the cows give us?
- 4 Where do the pigs like to play?
- 5 What is the name of the horse?

In The Jungle

Reading Comprehension Activity

Read the text about oceans and complete the exercises

Hello! My name is Leo and I live near the jungle.

In the jungle there are many animals. The lion is big and strong. It has a long tail and a loud roar.

The monkeys are small and funny. They climb the trees and eat bananas.

The tiger has orange and black stripes. It can run very fast.

There are also colourful parrots in the jungle. They can fly and sing loudly.

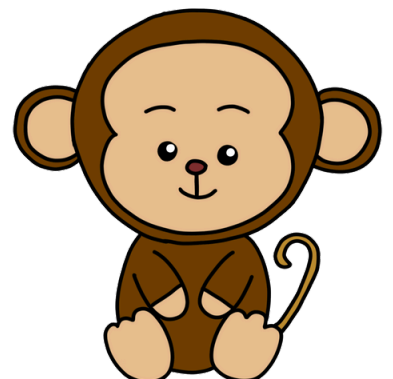

I love the jungle because every animal is different and special.

1. Decide if the sentences are true (T) or false (F)?

- 1 The lion is small. _____
- 2 The monkeys climb the trees. _____
- 3 The tiger has green stripes. _____
- 4 What colours are the tiger's stripes? _____
- 5 What animal can fly? _____

2. Answer the questions.

- 1 Where does Leo live?
- 2 What animal is big and strong?
- 3 What do monkeys eat?
- 4 What colours are the tiger's stripes?
- 5 What animal can fly?

On The Farm

Reading Comprehension Activity

Read the text about oceans and complete the exercises

Hello! My name is Sara and today I am at the zoo with my family.
We see many animals. The elephants are very big and they have long trunks. They eat grass and fruit.
The giraffes are tall and they eat leaves from the trees.
We also see zebras. They are black and white and they run quickly.
My favourite animals are the monkeys. They jump, play and make funny faces.
I like the zoo because I can learn about animals from all over the world.

1. Match the animal and the description.

- | | |
|------------|-------------------|
| 1 Elephant | Jumps and plays |
| 2 Giraffe | Tall, eats leaves |
| 3 Zebra | Long trunk |
| 4 Monkey | Black and white |

2. Answer the questions.

- 1 Who goes to the zoo with Sara?
- 2 What do elephants eat?
- 3 What do giraffes eat?
- 4 What colours are the zebras?
- 5 What are Sara's favourite animals?

In The Sea

Reading Comprehension Activity

Read the text about oceans and complete the exercises

Hello! My name is David and I love the sea.

When I go to the beach, I can see many animals in the water.

The dolphins are my favourite. They are grey, friendly and they can jump high.

There are also many colourful fish. Some fish are small and some are big.

I see a turtle too. It swims slowly and has a hard shell.

Sometimes, I can see a shark. It is big and strong, but a little scary.

The sea is full of amazing animals!

1. Decide if the sentences are true (T) or false (F)?

1 Dolphins are green.

2 The turtle has a hard shell.

3 The shark is small and funny.

4 David loves the sea.

5 Some fish are small.

2. Answer the questions.

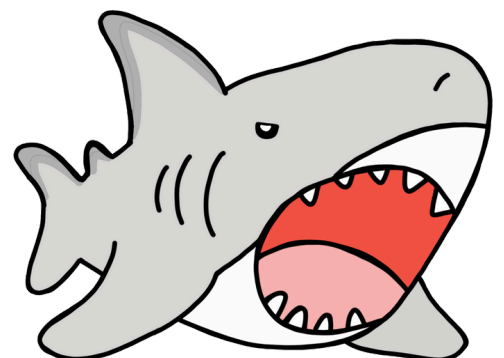

1 What is David's favourite animal?

2 What colour are dolphins?

3 Are all fish the same size?

4 How does the turtle swim?

5 What animal is scary?

Birds in the Sky

Reading Comprehension Activity

Read the text about oceans and complete the exercises

Hello! My name is Emma. I like to watch the birds in the sky.

In the morning, I see sparrows. They are small and brown. They sing happily in the trees.

I also see pigeons in the park. They are grey and they walk on the ground.

Sometimes, I can see eagles flying very high. They are big and strong.

My favourite birds are parrots. They are colourful, they can talk a little and they are very funny.

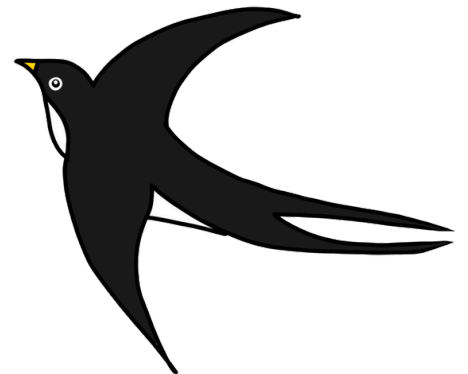

Birds are amazing because each one is different.

1. Match the animal and the description.

- | | |
|-----------|-------------------|
| 1 Sparrow | Big, flies high |
| 2 Pigeon | Colourful, funny |
| 3 Eagle | Small and brown |
| 4 Parrot | Grey, in the park |

2. Answer the questions.

- 1 What is Emma's hobby?
- 2 What colour are the sparrows?
- 3 Where are the pigeons?
- 4 What birds fly very high?
- 5 Which birds are Emma's favourite?

Insects in the Garden

Reading Comprehension Activity

Read the text about insects and complete the exercises

Hello! My name is Lucy and I love playing in the garden.
There are many insects around the flowers and the grass.
Bees are yellow and black. They fly from flower to flower to make honey.
Butterflies are beautiful. They have big, colourful wings and they fly slowly.
Ladybugs are small and red with black spots. They are very cute.
Ants are tiny. They walk in a line and carry food to their home.
The garden is small, but full of busy insects!

1. Decide if the sentences are true (T) or false (F)?

- 1 Bees make honey. _____
- 2 Butterflies are green and blue with no wings. _____
- 3 Ladybugs have black spots. _____
- 4 Ants walk in a line. _____
- 5 The garden has no insects. _____

2. Answer the questions.

- 1 Where does Lucy play?
- 2 What colours are the bees?
- 3 What do butterflies have?
- 4 What colour are ladybugs?
- 5 What do ants carry?

Reptiles

Reading Comprehension Activity

Read the text about oceans and complete the exercises

Hello! My name is Jack and I like reptiles.

Snakes are long and they have no legs. Some snakes are green and some are brown. They can move very fast.

Crocodiles are big and strong. They live in the water and have big teeth.

Lizards are small reptiles. They can climb walls and some can change colour.

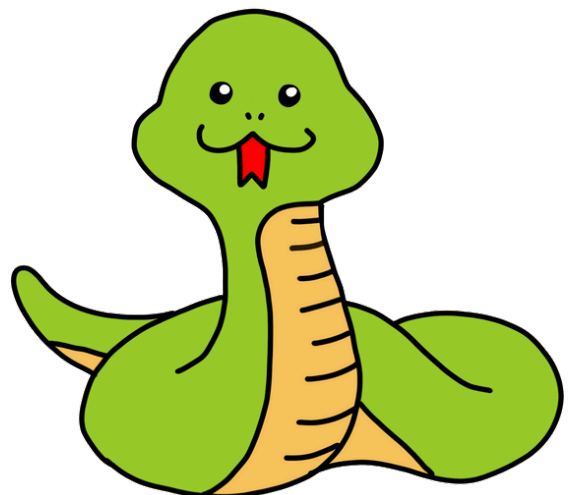

Reptiles are different from other animals because their skin is dry and scaly. I think reptiles are very interesting!

1. Match the animal and the description.

- | | |
|-------------|---------------------|
| 1 Snake | Big teeth, water |
| 2 Crocodile | Long, no legs |
| 3 Lizard | Small, climbs walls |

2. Answer the questions.

- 1 What animal has no legs?
- 2 Where do crocodiles live?
- 3 What can lizards do?
- 4 How is reptile skin?
- 5 Why does Jack like reptiles?

Polar Animals

Reading Comprehension Activity

Read the text about oceans and complete the exercises

Hello! My name is Mia and I live in a very cold place.

There is snow and ice everywhere. Many animals live here too.

Penguins are black and white. They cannot fly, but they can swim very well.

Polar bears are very big and strong. They have thick white fur to keep warm.

Seals live in the water. They are grey and they like to rest on the ice.

All these animals are special because they can live in the cold.

1. Decide if the sentences are true (T) or false (F)?

- 1 Penguins can swim very well. _____
- 2 Polar bears are small and weak. _____
- 3 Seals live in the jungle. _____
- 4 Polar bears have thick fur. _____
- 5 All the animals live in cold places. _____

2. Answer the questions.

- 1 Where does Mia live?
- 2 What colours are the penguins?
- 3 Can penguins fly?
- 4 What colour is the polar bear's fur?
- 5 Where do seals like to rest?
