NOVEMBRE

The background is a light blue chevron pattern. A large, multi-colored rainbow (purple, blue, yellow, orange, red) arches across the middle. Two light blue clouds with white polka dots are positioned on either side of the rainbow. Three small stars (pink, blue, and orange) are scattered near the rainbow. The text 'DICIEMBRE' is written in large, bold, yellow letters with black outlines, centered vertically. The word is set against a solid green rounded rectangular background. In the top left and bottom right corners, there are purple circles and small purple rings. In the top right and bottom left corners, there are orange dots of varying sizes.

DICIEMBRE
