Sumas de primavera

Sumas de primavera

 +  =  +  = 

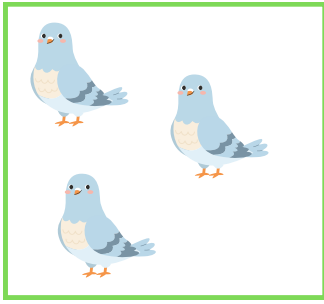

This block illustrates a simple addition problem using mushrooms. The first row shows a box with four mushrooms plus a box with two mushrooms, followed by a plus sign and an equals sign. Below this, two large orange arrows point down to a second row of three empty boxes: an empty box, a plus sign, another empty box, an equals sign, and a final empty box for the answer.

 +  =  +  = 

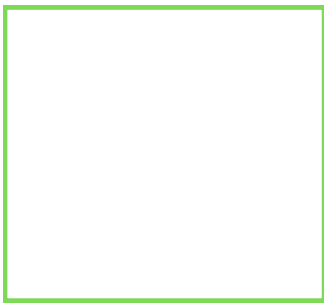

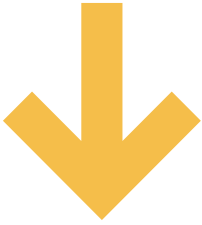

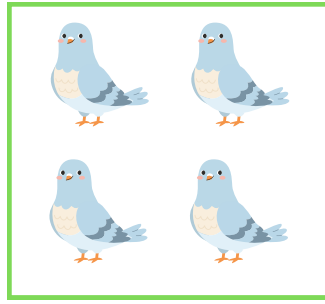

This block illustrates another simple addition problem using umbrellas. The first row shows a box with one umbrella plus a box with one umbrella, followed by a plus sign and an equals sign. Below this, two large orange arrows point down to a second row of three empty boxes: an empty box, a plus sign, another empty box, an equals sign, and a final empty box for the answer.
