A celebratory graphic for the 400th anniversary of Super Mario Bros. The background is a blue sky with white clouds and a brown brick border. The number '400' is prominently displayed in large, colorful, outlined digits: '4' is green, the first '0' is red, and the second '0' is yellow. To the right of the '0's, Mario is riding Yoshi, who is green with a white belly and orange shoes. Below the '400', the words 'CUATROCIENTOS' and 'FOUR HUNDRED' are written in large, colorful, outlined letters. The entire graphic is framed by a brown brick border with yellow coins at the corners.
