

COLOREMOS EL OTOÑO

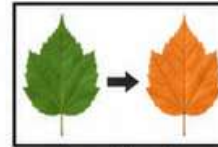

LECTURA

En otoño las hojas cambian de color.

El viento mueve las ramas de los árboles.

La lluvia moja las calles.

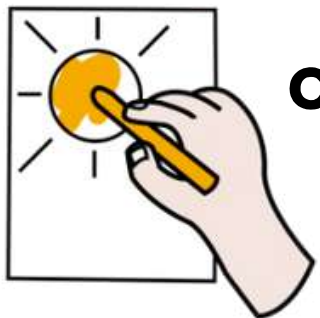

Nos ponemos el abrigo y las botas.

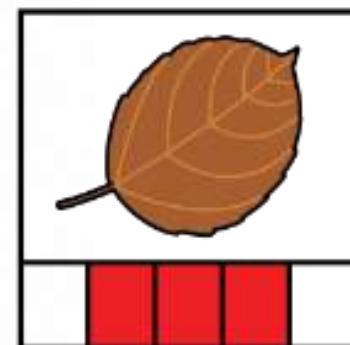

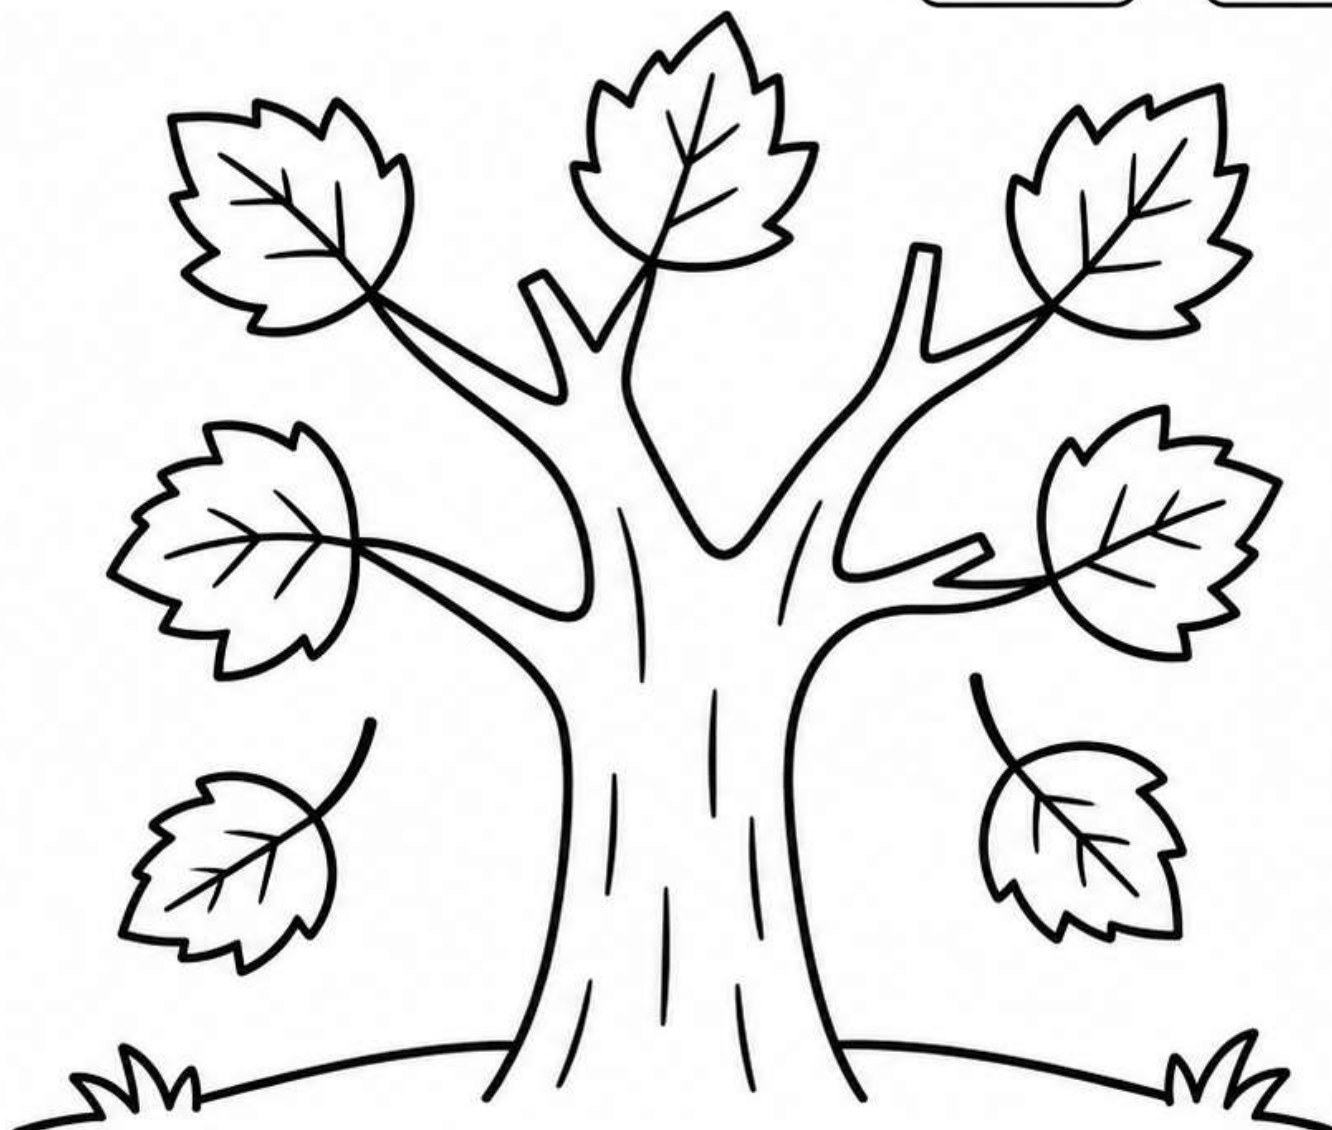

Recogemos castañas y paseamos por el bosque.

LECTURA

En otoño el campo se llena de colores.

Las ardillas guardan bellotas para el invierno.

Los pájaros buscan comida entre las hojas.

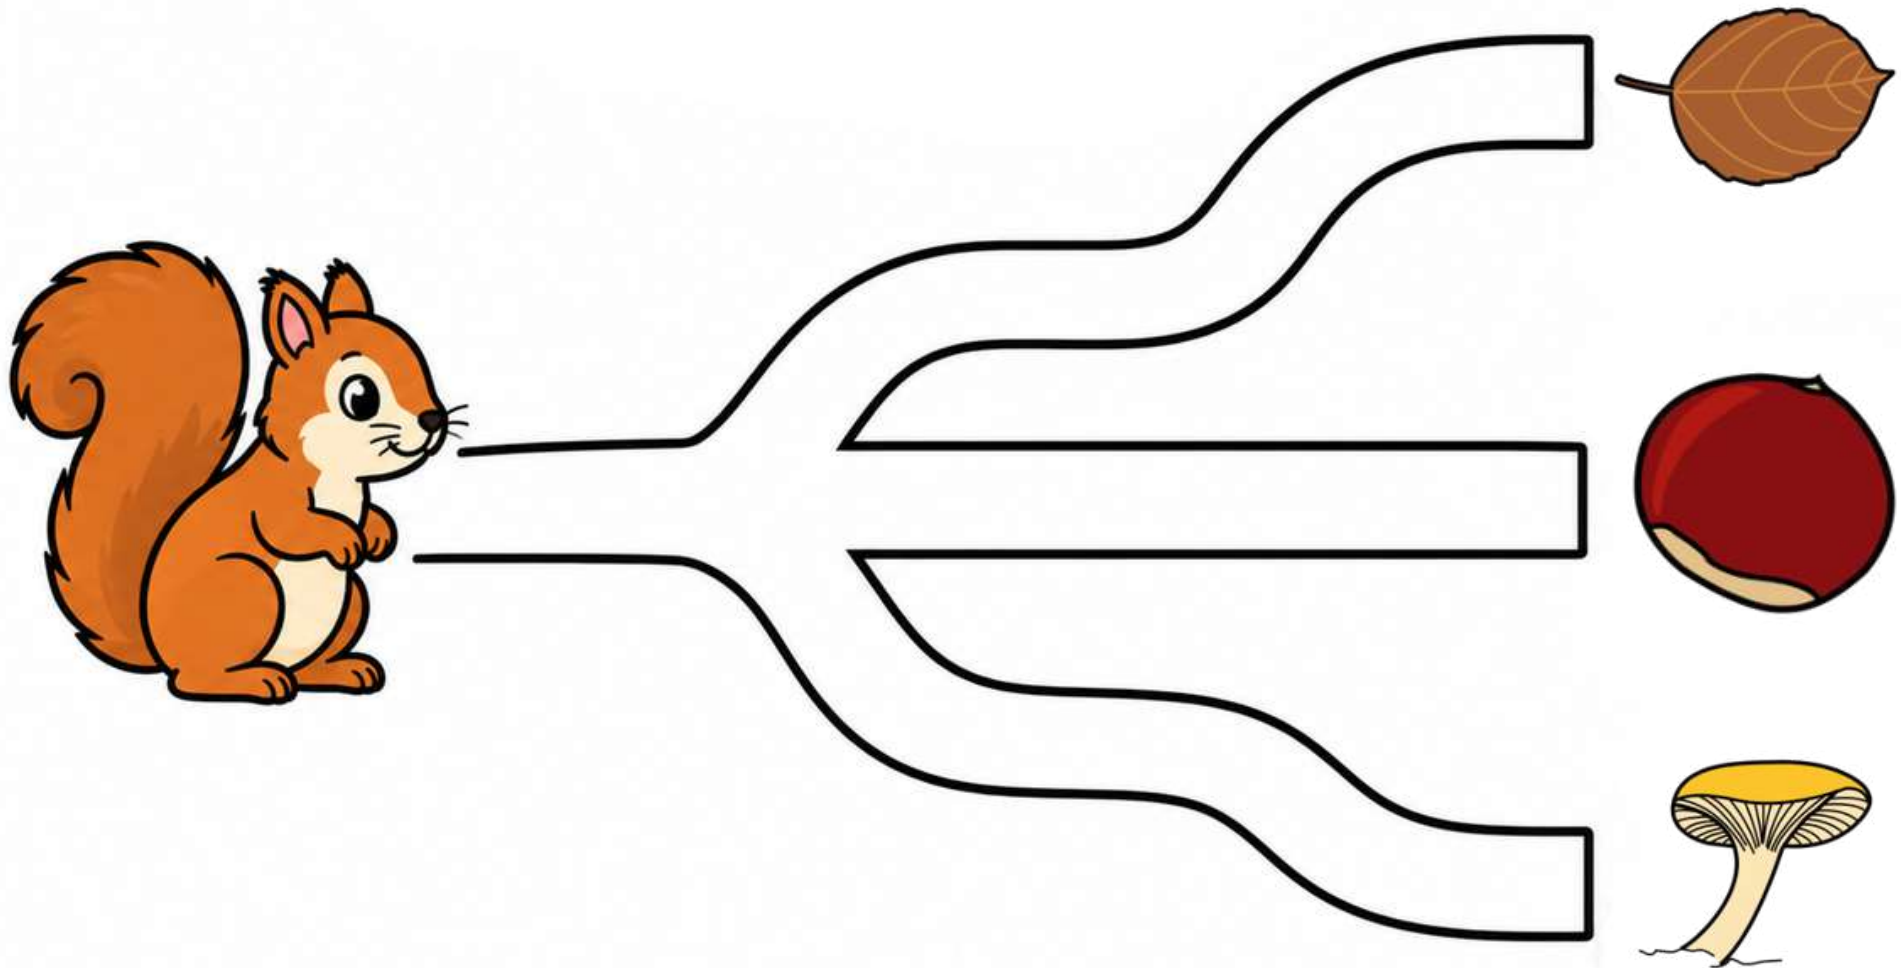

Una familia recoge setas en el bosque.

Al volver a casa, todos toman chocolate caliente.
